ABOUT US

Our team envisions a society where everyone has the right to an active, healthy and dignified life. We provide immediate humanitarian aid and help people get back on their feet. We support child education, help the poorest and most vulnerable, and support human rights activists. We hold the values of mutual help, solidarity and humanism in high esteem. Our network yields real results that are sustainable and transformational. Each rupee given goes directly to combating housing, hunger, health and education crisis around the world. We connect people and organizations together to change lives, break the cycle of crisis and provide hope.
